INTRODUCING A NOT-SO-BASIC SPLINT BATH

The Strava Basic Splint Bath offers innovative features and modern looks with an economy price

Modern Looks

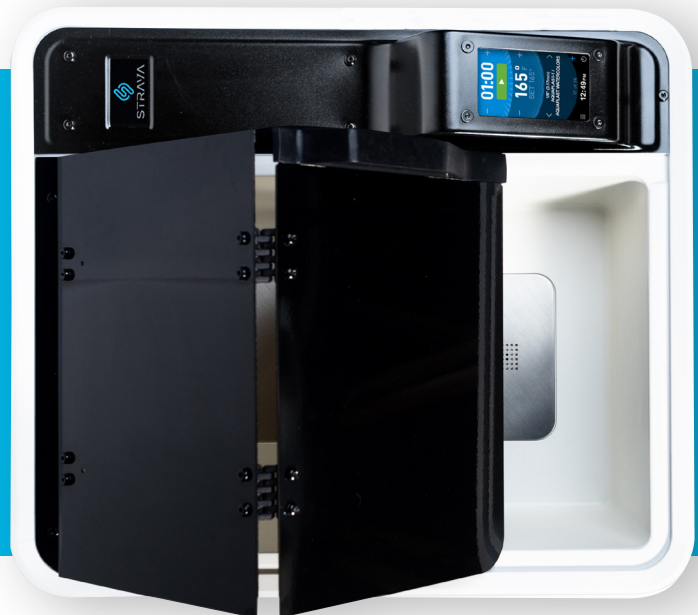

Made of a thermoset material, known for its insulation, flammability, resistance and durability. Features a stainless steel hinged bi-fold lid for easy access from three sides.

Auto On/Off

Automatically preheats the water to reach a set temperature at a set day and time. Ready when your clinic opens and energy efficient at night when not in use.

Heats in 25 minutes

Internal heat exchanger is immersed directly in the water basin, ensuring fast heating and uniform heat distribution.
